

## How to purchase A SUBSCRIPTION to Infowine premium

Start by logging in, or by registering in to the site.

(in case of new registration you will have to confirm the validity of your email by clicking on a link sent to your email inbox).

The screenshot shows the Infowine website homepage. The top navigation bar includes links for HOME, FUTURE EVENTS, NEWS, TECHNICAL ARTICLES, VIDEO, SCIENTIFIC ABSTRACT, JOB MARKET, OTHER, CONTACT US, and BASKET. The main content area features a login and registration section on the left, highlighted with a red box. The login section includes fields for email and password, a 'Login' button, and a 'Register' button. Below the login section are links for 'Password recovery', 'Log in with facebook', and 'Log in with Google'. To the right of the login section is a featured article titled 'The visual appeal of the color of red wine: microbiological implications' by José Antonio SUAREZ-LEPE. Below this is another featured article titled 'Near-infrared spectroscopy and hyperspectral imaging: non-invasive and rapid techniques to determine the composition of intact grapes' by Maria P. Diago. The bottom of the page features a 'Sign up to our Newsletter!' section and a 'Tired of outdated platforms?' advertisement.

Click “Your purchases”

The screenshot shows the user's account page on the Infowine website. The top navigation bar is the same as in the previous screenshot. The main content area features a 'Reserved area' section on the left, which includes a 'Login' section with the user's name 'John Smith' and a 'Your purchases' link highlighted with a red box. Below the 'Your purchases' link are links for 'User data', 'Insert new item', 'modify your items', 'Basket', and 'Logout'. To the right of the 'Reserved area' is a featured article titled 'Selection and hybridization of yeast strains to modulate key compounds in wines' by Etienne Dornigac and Yorgos Kotseridis. Below this is a section titled 'Your purchases' with a red underline and the text 'If you purchase the subscription you will have unlimited access to all the items for one year'.

To start the subscription purchase process, click on “If you purchase the subscription you will have unlimited access to all the items for one year”.

If the subscription is already active, the expiration date will be highlighted in this same space, at the end of which you will receive an automatic reminder email the day after the deadline (the renewal cannot be done in advance).

In the section YOUR PURCHASES may also be listed any items purchased individually, which remain available regardless of any subscription purchased or already owned.

From the subscription page, click on the BUY button to insert it in the basket:

"Personal Data" page (entering user and billing information):

The screenshot shows a web form titled "Personal Data" for a user named John Smith. The form is divided into several sections:

- User data:** Fields for First name\* (John), Last name\* (Smith), e-mail\* (john.smith@gmail.com), Telephone\* (01231248544), Address\* (7 W Firestorm Way), City\* (Glendale), Region\* (Arizona), Country\* (USA), and zip code\* (85308). There are also fields for Company / Institute and Cell / Mobile.
- Billing data:** A section with a note: "the invoice will be sent only by email: please specify here below an email if different from the one of user data". It includes a "Copy user data" button and fields for Nominee\* (John Smith), Address\* (7 W Firestorm Way), Region\* (Arizona), Date of birth\*, Company / Institute, Invoice recipient\* (with radio buttons for Person and Company), City\* (Glendale), Place of birth\*, Invoice sent by email, and Country\* (USA). The zip code\* is 85308.
- Coupon:** A section with a note: "enter your voucher; the corresponding sum will be deducted from your total amount". It has a "Coupon Code" input field.
- NOTES:** A large text area for special requests.
- Privacy Policy:** A link to "Privacy Policy (art. 13 D.lgs.196/2003)" and a checkbox for "I Accept".

At the bottom of the form is a green "Next >>>" button.

The user data are those entered at the time of registration. In this form, they may need to be supplemented, taking care to fill in all the fields marked with an asterisk.

In the billing information, you must provide the exact data for the invoice header.

In the NOTES field you can enter any specifications, including administrative ones (example: additional information to be shown on the invoice, etc.)

Coupon section:

The screenshot shows the "Coupon" section of the form. It has a dark red header with the text: "Coupon (enter your voucher; the corresponding sum will be deducted from your total amount)". Below the header is a "Coupon Code" input field.

In this section it is possible to insert the Coupon code eventually received by the Infowine staff.

The field is NOT mandatory.

If you do not have such a Coupon, ignore this section and go on to the next step.

In this example, payment by bank transfer was chosen.

In case of payment with Paypal the page shows the PAYPAL logo on which it is necessary to click to proceed with the payment. From the Paypal page, you can choose whether to pay through your Paypal account or by credit card, without the need to create a Paypal account. Once the payment has been made you will be redirected to the Infowine website and the subscription will be activated automatically.

**NOTES (use this box to write us your special request, including administrative ones)**

At the end of the purchase procedure the system automatically sends you an email with the complete summary of the order.

In case of payment by bank transfer, the information to make the payment will also be summarized, as shown in the final confirmation form. The subscription will be activated upon receipt of the payment: to speed up the activation process you can send the bank receipt to [info@infowine.com](mailto:info@infowine.com).

With payment through Paypal site (both with the Paypal account and with the credit card) the Paypal platform will send you, independently from Infowine, an e-mail confirming the payment made.

If you do not receive our emails, please check your spam folder.

We suggest in any case to insert the infowine.com and vinidea.it domains in the list of reliable senders.
